

SA-HALI SECONDARY

CODE OF CONDUCT

This code of conduct is intended to encourage acceptable student behaviour and to provide an atmosphere where all individuals feel a sense of respect, belonging and safety. An educated citizen should be co-operative, principled and respectful of others, regardless of differences. These objectives, which support those goals, are intended to create a better learning and living environment for all.

Students are expected to apply themselves in all curricular areas and to set high standards for personal achievement.

Students are expected to attend school and classes on a regular basis and be punctual.

Students are expected to dress in a manner which reflects purpose, good taste, and propriety.

Students are expected to conduct themselves in a polite, respectful and co-operative manner at all times.

Students are expected to be sensitive to and responsible for the school environment.

Students are expected to be aware of their rights and responsibilities and to exercise those responsibilities and to exercise those responsibilities as an individual within the school community.

Students are expected to treat the school building and property with respect.

Students are expected to behave in the community in a manner that would bring respect and dignity to their school.
